- Usage rate: 2 cups per 10 gallons water
- USDA accepted, category A-1

Machine Washing Detergents

Epic offers a wide range of detergents to give you sparkling clean dishes, glasses, flatware and utensils in all water conditions. All Epic dishwashing detergents contain metal protection agents to guard against machine damage and prolong the life of your equipment. Use of Epic presoaks and rinse aids is recommended for best results. All Epic machine dishwashing detergents are  Kosher/Pareve.

POWDERS

315 Formula 15™

- Chlorinated white powder
- Use in soft, medium and medium-hard water (up to 8 grains or 136 ppm)
- Usage rate: 3 oz. per 10 gallons water
- USDA accepted, category A-1

NON-CHLORINATED FORMULA

302 Opal™

- Non-chlorinated pink powder
- Use in soft water (up to 4 grains or 68 ppm)
- Usage rate: 3 oz. Per 10 gallons water
- USDA accepted, category A-1

LIQUIDS

305 Epic® Liquid MDC

- Non-Chlorinated red liquid
- Use in all water conditions (up to 10 grains or 170 ppm)
- Dilution rate: consult your epic service representative
- USDA accepted, category A-1

330 Formula 30™

- Chlorinated powder
- Use in medium-hard to hard water (above 8 grains or 136 ppm)
- Dilution rate: consult your epic service representative
- USDA accepted, category A-1

303 V-8™

- Alkaline pink powder with chlorination for enhanced stain removal
- Use in soft and medium water (up to 8 grains or 136 ppm)
- Usages rate: 3 oz. per 10 gallons water
- USDA accepted, category A-1

004 Low-Temp Detergent

- Excellent in hard water condition
- Low phosphate content
- Biodegradable
- Use in commercial dishwashing machines

301 Number 7™

- Chlorinated white powder
- Use in soft and medium-hard water (up to 8 grains or 136 ppm)
- Usage rate: 3 oz. per 10 gallons water
- USDA accepted, category A-1

350 Pan Man (Aluminum Safe)

- Liquid formula designed for all aluminum pots and pans
- Heavy duty, mildly alkaline liquid machine detergent
- Provides maximum protection for soft metal pots and pan such as aluminum
- Effective in hard water and the heaviest soil conditions
- USDA approved

Presoaks

Epic presoaks are essential for all commercial dishwashing operations. These products loosen food soils, prevent drying and hardening, and thus eliminate the need for rewashing. In addition, Epic presoaks keep your kitchenware looking and performing at its best. They brighten surfaces, eliminate dulling film and prolong the life of valuable equipment. All Epic presoaks are  Kosher/Pareve.

POWDERS

208 **Sort™**

- Detarnishes silver and silverplate
- Fast food stain remover
- Usage rate: 1-2 tablespoons per gallon of hot water
- Use in all water conditions

209 **Epic® China Dip**

- Removes food, coffee and tea stains from aluminum, stainless steel, plastic and china
- Usage rate: 1 oz. per gallon of hot water

LIQUID

210 **Liquid Sort™**

- Concentrated liquid presoak
- Detarnishes silver and silverplate
- Usage rate: 1 oz. per gallon of hot water

Rinse Fluids/Sanitizer

Epic rinse fluids deactivate water tension and promote sheeting action to give you faster, spot-free drying and increased washing efficiency. These products are metered into the rinse cycle of the dishmachine as determined by the chemical specialist. All Epic rinse fluids are  Kosher/Pareve.

306 **Swell® Rinse Injector Fluid**

- Blue liquid rinse additive
- For use at normal wash/rinse temperatures

310 **Star Burst™ Economy Rinse**

- Green liquid for use with automatic dispensers in the final rinse of commercial dishwashers
- Economical formula for normal wash/rinse temperatures
- Formulated to speed drying time and reduce film caused by hard water and splash back
- Economically speeds drying for machine washed items
- Reduces foam caused by protein soils

012 **Swell® Low-Temp Rinse**

- For use with automatic dispensers in the final rinse of commercial dishwashers
- Formulated to speed drying time, stop spotting, streaking and reduce film cause by hard water and splash back
- Economically speeds drying of machine washed items in low temp operation

776 **E-C 50™ Final Rinse Sanitizer**

- Amber sodium hypochlorite solution sanitizer
- Use as a sanitizer in low temp machine
- EPA registered
- NOTE: not recommended for use on aluminum and other soft metals

Hand Cleaners

Epic offers a hand cleaner to meet every need from removing heavy industrial grime to satisfying Board of Health requirements for food handlers. All Epic hand cleaners are formulated to be tough on soils, but gentle to the skin.

LIQUID

706 **Grade "A"™ Hand Soap**

- Coconut oil-based vegetable soap
- Amber color liquid
- Penetrates and lifts dirt and stains
- Abundant, long-lasting lather
- Free rinsing
- Pleasant fragrance
- USDA accepted, category E-1

801 **pH7+™ Antiseptic Hand Cleaner**

- Lotionized, phenolic/detergent combination
- Pink color liquid
- Quickly and gently removes soil
- Deodorizes
- No added perfume per USDA requirements
- USDA accepted, category E-2
- Ideal for use in restaurants, hospitals, lavatories, hotels, schools, also in federally inspected meat and poultry plants.
- May be used in hand soap dispensers
- Kosher/Pareve

802 **Swell® Antiseptic Hand Soap**

- Virtually chemically neutral (pH balanced)
- Ideal for use in restaurants, hospitals, lavatories, hotels, schools, also in federally inspected meat and poultry plants.
- USDA accepted, category E-2
- FDA approved
- Enhanced cleaning action with less, thus saving money
- More economical than cartridge or bag-in-the-box systems
- Great lathering, leaving skin clean and soft
- Pleasant fragrance
- Can be used in any dispenser
- Kosher/Pareve

006 **Epic® Pink Liquid Hand Soap**

- Pink, lotionized soap
- Mild, pleasant fragrance
- Penetrates and lifts dirt
- Abundant long-lasting lather
- Free rinsing

- Mild to hands
- Dilution rate: 1/2 oz. per 3 gallons water (1/2 oz. dispenser included)
- USDA accepted, category A-1

430 One Step-A™

- Liquid combination detergent and disinfectant
- Cleans, deodorizes and disinfects in one step
- Dilution rate: 2 oz. per gallon water
- EPA registered

420 E-Z® Glasswash

- Low-sudsing liquid detergent
- For use with electric glasswashers
- Lubricates moving parts of washer
- Eliminates lime and film build-up
- Dilution rate: 1 oz. per 4 gallons water

POWDER

408 Barfoam® Powder

- White powder
- For hand washing of all bar glassware
- Works well in all water hardness conditions
- Mild to hands
- Measuring scoop included in each container
- Usage rate: 1/2 oz. per 2 gallons water
- USDA accepted, category A-1

Sanitizers

Epic sanitizers provide a healthy environment in all food service, institutional, recreational, health care and business establishments by killing germs that can cause disease. Reduction of germs also reduces undesirable odors. All Epic sanitizers will enable user to meet local Board of Health requirements.

409 Swell® Sanitizing Tablets

- Quaternary ammonium sanitizer tablets for bar glasses, dishes and all food contact ware
- Convenient and compact with no spills, no waste
- Pre-measured for accurate dilution
- Works in hard water (up to 500 ppm) and all temperatures
- Blue color indicates solution strength
- Usage rate: 1 tablet per 1-1/2 gallons water provides 220 ppm sanitizing solution
- EPA registered

679 Dical™-2 Quaternary Ammonium Sanitizer, Disinfectant, Deodorizer

- Rinse free sanitizer and disinfectant
- Multiple germicidal applications
- For use in restaurants, bars, food processing, dairy, meat & poultry plants, nursing homes & hospitals as a free rinse sanitizer to kill **salmonella & listeria** when used as directed
- Most cost-effective sanitizer due to high concentration

- Use in sanitizing sink for dishes, glasses and utensils or to spray down food processing areas and equipment
- Dilution rate: 1 oz. per 4 gallons water
- USDA accepted, category D-2
- EPA registered

Sanitizing Solution Testing is Simple with epic Test Strips

120 Quaternary Ammonium Test Strips

121 Chlorine Test Strips

122 Iodine Test Strips

- Select proper strips for type of solution in use
- Just dip test paper in solution and compare color to handy chart provided
- Required by many health departments for food establishments
- Packed 100 papers per vial

ALL-PURPOSE & GENERAL CLEANERS

Epic makes a wide variety of general purpose cleaners to remove almost any type of soil from any institutional surface. Each product is the result of extensive research and testing, so you can be confident of reliable, superior performance. All Epic general purpose cleaners are Kosher/Pareve.

LIQUIDS

710 **GLIDE**[®] Concentrated All-Purpose Cleaner

- Liquid cleaner
- Use on most hard surfaces including no-wax flooring, vinyl, rubber, sealed wood, brick, concrete, terrazzo, marble, oil-based paint and enamel
- Works in all water hardness conditions
- Dilution rate: 1 oz. per 2-1/2 gallon water
- USDA accepted, category A-1

722 **FURY**[®] Disinfectant Spray Cleaner

- Use in restaurants, bars, meat & poultry plants, nursing homes & hospitals
- Disinfectant, fungicide, mildewstat, virucide & deodorizer
- Fast-acting cleaner and degreaser
- Removes oil, gum, carbon, soap scum, dirt and grease with "spray on, wipe off" ease
- No rinsing required for most applications
- Ready to use
- USDA accepted, category A-4
- EPA Registered

POWDERS

401 **Waltis**[™] 89

- Non-sudsing all-purpose cleaner with pine oil
- Use on all washable surfaces
- Pleasant pine fragrance
- Works even in hard water
- Biodegradable
- Usage rate: 2 oz. per gallon water
- USDA accepted, category C-1

713 **Swell**[™] Ammoniated All-Purpose Cleaner

- Non-butyl, ammoniated all-purpose cleaner
- Contains surfactants, emulsifiers and alkaline builder
- Cuts grease, removes tar, gum and stubborn soils
- Works in all water hardness conditions
- Dilution rate: 2 oz. per gallon water
- USDA accepted, category A-4

731 **Citri-Kleen**[™] Neutral All-Purpose Cleaner

- Concentrated, neutral pH, general purpose hard surface cleaner for all types of floors
- Highly effective as dirt & grime remover
- Will not harm or dull floor finish
- Perfect for maintaining high gloss finishes
- Environmentally friendly
- Pleasant citrus fragrance
- Dilution rate: 1 oz. to 1 gallon for lightly soiled surfaces, 2 oz. to 1 gallon for moderately soiled surfaces, 4 oz. to 1 gallon for heavily soiled surfaces
- Also available in R.T.U. 22 oz. spray bottles

400 **Alka-Klean**[™]

- Heavy duty concrete cleaner
- Works in hot or cold water and all hardness conditions
- Easily removes imbedded soil
- Simply sprinkle on and hose off under most conditions
- Usage rate: sprinkle on wet surface as necessary
- USDA accepted, category A-4

8508 **LIKE MAGIC**[™] Degreaser

- Heavy duty cleaner and degreaser
- Removes grease, oil and difficult soils from most hard surfaces
- Biodegradable
- Safe on all metals
- Dilution rate: 1/2 to 2 oz. per gallon water
- USDA accepted, category A-4

- Convenient aerosol
- Dissolves smudges, film and soils
- Use on glass, mirrors, chrome, stainless steel, tile, formica, porcelain and most hard surfaces
- Leaves dirt-resistant, protective coating
- Net weight 19 oz.

BLOCKS

712 Swell™ Urinal Blocks

- Paradichlorobenzene 100%
- Pleasantly scented
- Counteracts all malodors
- Individually wrapped round tablets
- Full 4 oz. – no fillers

DISINFECTANT!

715 Snap™ Bowl Cleaner

- Detergents, emulsifiers 9.5% hydrochloric acid
- Cleans, deodorizes and disinfects in one application
- Viscous formula clings to bowl
- Attacks encrustation below water surface
- Packed with bowl mop and caddy
- Ready to use with special dispensing cap for easy application
- EPA registered disinfectant
- USDA accepted, category C-2

1309 Swell™ Germicidal Cleaner

- Quaternary ammonium surface spray
- Cleans, disinfects and deodorizes
- Easy spray-on, wipe-off application – no rinsing!
- Cleans without abrasives
- Excellent for tubs, showers, chrome, tile and other hard surfaces
- VOC compliant
- USDA accepted, category C-2
- EPA registered
- Net weight 19 oz.

725 Swell™ No Para Urinal Block & Screen

- Biodegradable combination of detergents, chelates, deodorants and quats
- Cleans and deodorizes
- Retards rust and scale build-up
- Helps prevent clogging
- Each block lasts up to 30 days
- Disposable screen included with each block
- No "splash-back"

726 Super Snap™ Bowl Cleaner

- Detergents, emulsifiers and 23% hydrochloric acid
- Extra heavy-duty cleaning and disinfectant action
- Removes rust, lime and uric acid deposits
- Recommended for hard water areas where lime and scale build-up are a problem
- Will not harm bacterial action of septic tank
- Ready to use with handy push/pull dispenser cap
- EPA registered

727 Swell™ Non-Acid Bowl Cleaner

- Safe to use
- Cleans, disinfects and deodorizes in one step
- Virucidal - kills HIV-1 (AIDS virus)
- Viscous formula clings to bowl
- Attacks encrustation below water surface
- Ready to use formula
- Special dispensing cap for easy application
- EPA registered

716 Swell™ Bowl Blocks

- Paradichlorobenzene
- Pleasantly scented
- Counteracts all malodors
- Individually wrapped blocks on no-rust hangers
- Attaches easily to toilet or other problem odor area

LIQUID DISINFECTING/DEODORIZING PRODUCTS

Epic offers a variety of deodorizing and disinfecting cleaners to meet the needs of the food service, healthcare and housekeeping industries. General characteristics of these products are listed below. For information on control of specific viruses and bacteria, contact Epic Industries or your Epic distributor.

679 Dical™-2 Final Rinse Sanitizer

- Rinse free sanitizer and disinfectant
- Multiple germicidal applications
- For use in restaurants, bars, food processing, dairy, meat & poultry plants, nursing homes & hospitals as a free rinse sanitizer to kill **salmonella & listeria** when used as directed

- Ready to use
- USDA accepted, category A-4
- EPA registered

1441 Jazz™ Deodorant Cleaner

- Powerful general purpose cleaner and deodorant
- Excellent for bathrooms, trash cans, pet areas, sink and other problem odor areas
- Pleasant jasmine fragrance
- Dilution rate: ready to use

701 Fairway™ Pine Oil Cleaner and Deodorant

- Viscous green liquid cleaner and deodorant
- Made with real pine oil
- Safe on all washable surfaces
- Low suds for easy rinsing
- Concentrated enough to be used as a scrub soap
- Dilution rate: 2 oz. per gallon water
- USDA accepted, category C-1

238 Harmony™

- Concentrated liquid deodorant
- Excellent for use on trash compactors, dumpsters, in restrooms, locker rooms, kennels and anywhere odors are a problem
- Replaces foul odors with a pleasant scent
- Works even in the hottest weather
- Water-based, biodegradable formula
- Cherry fragrance
- Ideal for use in automatic deodorant dispensers to control odors from compactors and dumpsters

239 Cherry Bubble Deodorizer & Cleaner

- Cherry scented deodorizer & cleaner
- Use on floors, walls, plastic, ceramic tile, kitchens, metals, countertops, linoleum, marble, vinyl, terrazzo and shower rooms
- Works great on stubborn soils

AEROSOL PRODUCTS

Epic provides an extensive line of aerosols to meet the varied needs of the food service, laundry and housekeeping professional. Epic aerosols offer compact size; easy, precise application; and ready-to-use convenience.

723 **Swell** Metered Air Freshener

- Specially formulated for industrial and institutional applications
- USDA approved
- Odor neutralizers designed to eliminate, not just mask malodors
- Fragrances: Mountain Air, Powder Room, Sunburst, Cinnamon, Mango and Potpourri
- Automatic dispenser releases a spray for coverage up to 6,000 cubic feet

723CO Cabinet for Metered Aerosol

1302 **Swell** Ant and Roach Killer

- Kills insects on contact
- Liquid and vapors penetrate cracks and crevices
- Residual surface spray contains pyrethrins and diazanan
- Effective against roaches, ants, ticks, mites, crickets, waterbugs, scorpions, silverfish and spiders
- VOC compliant
- EPA registered
- Net weight 15 oz.

1303 **Swell** Fly and Mosquito Killer

- Kills insects on contact
- Use as area or surface spray
- Effective against flies, mosquitoes, moths, gnats, carpet beetles, flour beetles, grain beetles, rice weevils, centipedes, firebrats, fleas and ticks
- VOC compliant
- EPA registered
- Net weight 15 oz.

1304 **Swell** Ammoniated Glass Cleaner

- Provides streakless cleaning at all temperatures
- Use on glass, mirrors, chrome, formica, ceramic, tile and porcelain
- Contains no abrasives
- Excellent light-duty, all-purpose cleaner, too
- Net weight 19 oz.

1304N **SPARKLEEN** Non-Ammoniated Glass Cleaner

- Dissolves smudges, film, bugs and soils
- Use on glass, mirrors, chrome, stainless steel, tile, formica, porcelain and most hard surfaces
- Leaves dirt-resistant, protective coating
- Reduces fogging on refrigerated deli cases
- Net weight 19 oz.

GREAT FOR MICA SURFACES!

1305 **Swell** Furniture Polish

- Waxes, polishes and protects
- Removes smudges, dust and fingerprints
- Leaves protective shine that repels dust
- Contains lemon oil and silicones
- Use on wood, plastic, leather and chrome
- Net weight 19 oz.

INDUSTRY LEADER

1306 **Swell** Stainless Steel Cleaner

- Cleans, polishes and protects in one application
- Helps prevent deterioration of equipment
- Fingerprints will not adhere to treated surfaces
- Use on steel, aluminum, formica, baked enamel and copper
- Helpful hint: for best results, spray on a clean rag and polish surface, rather than spraying directly on surface
- USDA accepted, category A-7
- Net weight 15 oz. (Also available in liquid form. See page 5)

1307 **Swell** Grill and Oven Cleaner

- Easily removes grease, burned on foods and other soils
- Excellent on most cooking surfaces
- Foam clings to vertical surfaces
- Safe, low-odor formula
- USDA accepted, category A-8
- Net weight 18 oz. (Also available in liquid form. See page 5)

Aerosol Products (cont'd)

EFFECTIVE IN ELIMINATING A WIDE RANGE OF BACTERIA

1308 Hospital Use Disinfectant Spray

- Phenolic disinfectant that kills a wide range of bacteria including HIV-1 (AIDS Virus), Polio Virus Types 1 and 2, Influenza A₂/Hong Kong Virus, TB and Herpes Simplex Types 1 and 2
- Controls mildew growth and odors
- Lemon scented
- Use as an area surface spray
- Recommended uses include garbage cans, bed pans, air ducts, hampers, toilet seats, rental shoes, telephones, etc.
- VOC compliant
- USDA accepted, category C-1
- EPA registered
- Net weight 15.5 oz.

1311 Dust Mop and Cloth Treatment

- Spray on mop or cloth to create a "dust magnet"
- Makes dusting easier and more efficient
- Prevents germ-filled dust from scattering
- Net weight 14 oz.

1314 Vandalism Remover

- Removes crayon, pencil, ink, marker, paint, tape marks, lipstick, wax and more
- Safe when used on brick, tile, steel, brass, chrome, aluminum, enamel, glass, marble and porcelain
- Net weight 18 oz.

1323 Wasp & Hornet Killer

- Provides instant "knock-down" of stinging insects
- Special nozzle directs stream up to 12 feet
- Residual killing action eliminates insects returning to nest
- High dielectric strength
- Recommended by utilities for linesmen and others who work outdoors
- VOC compliant
- EPA registered
- Net weight 14 oz.

1309 Germicidal Cleaner

- Quarternary ammonium surface spray
- Cleans, disinfects and deodorizes
- Easy "spray-on, wipe-off" application – no rinsing required
- Cleans without abrasives
- Excellent for tubs, showers, chrome, tile and other hard surfaces
- VOC compliant
- USDA accepted, category C-2
- EPA registered
- Net weight 19 oz.

KOSHER APPROVED!

1312 Food Release Spray

- Prevents food from sticking to all cooking surfaces
- Makes clean-up easy
- Economical to use – no need for oil or butter
- Healthful – contains no salt or cholesterol
- Easy to apply to pans, grills, broilers, skewers, molds, etc.
- Net weight 16 oz.

1316 Powder Fresh Air Freshener

- V.O.C. compliant air freshener attacks airborne odors instantly
- Fights odors trapped in fabrics such as carpeting, upholstery and draperies
- Free of all chlorinated solvents
- Eliminates offensive odors - tobacco, mildew and other malodors

1401 Total Release Automatic Insecticide

- Kills both flying and crawling insects
- Equally effective on larval and adult stages
- Entire can contents released as penetrating vapor
- Recommended for food establishments, medical facilities, hotels, motels, camps, kennels, homes, apartments, offices, etc.
- One can covers 6000 cubic feet
- VOC compliant
- USDA accepted, category F-1
- EPA registered
- Net weight 7.5 oz.

1310 Solvent Cleaner and Degreaser

- Instantly removes grease, dirt, oil, fresh paint, tar, some adhesives, crayon and lipstick
- Use on metals, painted surfaces, insulation, rubber, fabrics, rugs and plastics (except polystyrene)
- Non-flammable formula does not contain carbon tetrachloride
- Dielectric – will not short motors or other electrical equipment
- USDA accepted, category K-1, K-2
- Net weight 20 oz.

1313 Room Freshener

- Dispels unpleasant odors including cigar, cigarette and restroom odors
- Leaves fresh floral fragrance
- Excellent wherever non-disinfectant odor elimination is required
- Net weight 15 oz.

1322 Baseboard Cleaner

- Removes was build-up, grease, ink, soil and stains in corners
- Use on baseboards, floors, ceramic tile and other hard surfaces
- Easy to apply – can be sprayed upside down
- Net weight 19 oz.

1402 Chewing Gum Remover

- Instantly freezes gummy substances to make them brittle and allow for easy removal by scraping
- Works on chewing gum, candle wax and putty
- Leaves no residue
- Safe, non-flammable formula
- Net weight 7 oz.

The Swell logo is your assurance of quality and value in industrial and institutional cleaning products. Each product in the Swell line is the result of extensive research and testing to ensure top performance under even the most difficult circumstances – we guarantee it.

FLOOR CARE PRODUCTS

Liquid Hard Floor Strippers

730 "The" Emulsifier™

- Non-ammoniated, cold stripper
- Quickly and easily emulsifies floor finish for removal by wet vacuum
- Requires no scrubbing machines or pads
- No neutralizers or rinses required
- Highly recommended for quarry tile floors
- Excellent for general cleaning and degreasing
- Dilution rate: 10-12 oz. per gallon of water for stripping; 4 oz. per gallon water for degreasing

668 Formula 668™

- Ammoniated, no-rinse stripper
- Lifts and solubilizes even the toughest water emulsion floor finishes
- Combines solvents, ammonia, emulsifiers, penetrating agents and alkaline builders for maximum strength
- Holds all soil in suspension for easy rinsing
- Highly concentrated
- Dilution rate: 6 oz. per gallon hot water

711 Ama-Clean®

- Non-butyl cleaner and stripper
- Safely removes waxes and floor finishes
- Removes tar, gum, scuff marks, grease and oil
- Contains surfactants, emulsifiers and ammonia
- Rinses freely
- Dilution rate: 16 oz. per gallon of hot water
- USDA accepted, category C-1

Liquid Floor Cleaners

710 Glide™ All-Purpose Cleaner

- Highly concentrated solvent/detergent
- Cleans most hard surfaces including walls, composition and no-wax floors, rubber, vinyl, sealed wood, brick, concrete, terrazzo, marble, oil-based painted surfaces and enamel
- Dilution rate: 1 oz. per 2-1/2 gallons water
- USDA accepted, category A-1

- Safe, non-flammable formula
- Dilution rate: 3 oz. per 2 gallons water
- USDA accepted, category A-4

800 Treasure® Terrazzo Cleaner

- Non-alkalal cleaner expressly for terrazzo, marble and ceramic floors
- Quickly dissolves salts, scale, grease and soil
- Continued use restores older floors to original color and luster
- Dilution rate: 4 oz. per gallon water
- USDA accepted, category A-4

731 Citri-Kleen™ Neutral All-Purpose Cleaner

- Concentrated, neutral pH, general purpose hard surface cleaner for all types of floors
- Highly effective as dirt & grime remover
- Will not harm or dull floor finish
- Perfect for maintaining high gloss finishes
- Environmentally friendly
- Pleasant citrus fragrance
- Dilution rate: 1 oz. to 1 gallon for lightly soiled surfaces, 2 oz. to 1 gallon for moderately soiled surfaces, 4 oz. to 1 gallon for heavily soiled surfaces
- Also available in R.T.U. 22 oz. spray bottles

721 V-A® Cleaner

- Non-butyl, non-ammoniated detergent
- Excellent all-purpose cleaner and degreaser
- Cleans most washable surfaces including wood, leather, porcelain and painted surfaces

Liquid Floor Finishes

729 Mega Gloss™

- Contains 25% active polymer solids
- Has outstanding buffability, drying, durability and anti-slip properties
- Resists scuffing and retains gloss even in heaviest traffic area
- Is a metal, cross-linked, polymer base floor finish which dries to an exceptional gloss without buffing

708 Top-Gloss®

- 18% active polymer solid
- Excellent recoatability
- Produces a light luster with minimum effort
- Goes on easily, levels well and dries fast
- Retains its original gloss after continued dry and damp mopping
- Perfect for use in high traffic areas

709 E-Z Gloss®

- 14% active polymer solid
- Produces the "wet look"
- Has excellent leveling and drying properties
- Can be applied by dry mop.

Hard Floor Sealer

732 Swell® Reflector™ Spray Buff

- Restores shine to dulled areas
- Ready to use
- Just spray and buff (with white buffing pads)
- Excellent for heavy traffic areas

1001 Unikote™

- Seals and protects composition, terrazzo and concrete
- Prevents penetration of water-borne stains
- Colorless formula dries clear
- Does not discolor with age or exposure to heat or light
- Excellent for porous, worn or frequently mopped floors

Rug and Carpet Care

903 Epic® Liquid Rug Shampoo

- Controlled sudsing formula
- Penetrates deeply for thorough cleaning
- Dry foam prevents soil redeposition
- Helps restore original colors
- Dilution rate: 4 oz. per gallon water

LAUNDRY PRODUCTS

Laundry Detergents

Epic provides a detergent to handle every combination of soil and water conditions, fabric type and machine configuration. All are effective cleaners and contain optical brighteners and anti-redeposition agents for maximum whitening and color retention. Dilution rates listed for each detergent are per 100 pounds dry fabric weight and average soil conditions.

POWDERS

502 **Coronet® White**

- Highly concentrated, low-sudsing powder
- Contains two optical brighteners for brightening both cottons and blends
- Works in all water hardness and temperatures
- May be used with bleach, softeners and sour
- Phosphate free
- Usage rate: 2 cups per 100 lbs. dry weight
- USDA accepted, category B-1

513 **Sparkle™ Blue**

- Combines quality performance with competitive price
- Contains brighteners and wetting agents
- May be used with bleach, softeners and sour
- Phosphate free
- Usage rate: 3-1/2 to 4 cups per 100 lbs. dry weight

COMPARE TO INDUSTRIAL TIDE®

564 **Enhance™**

- Versatile laundry detergent and general purpose cleaner
- Provides superior cleaning power for laundry, kitchen ware, floors and all hard surfaces
- High volume per pound for economical use
- Biodegradable & Phosphate free
- Usage rate: 1-1/4 cups per 100 lbs. dry weight for laundry; 2 cups per 10 gallons water for pots and pans
- One shot laundry detergent
- 4 oz. to 50 lbs. laundry machine

503 **Swell® Blue**

- Low-sudsing formula with bluing to make whites "whiter"
- Anti-redeposition agents hold soil in suspension until rinsing is complete
- May be used with bleach, softeners and sour
- Phosphate free
- Usage rate: 2-1/2 to 3 cups per 100 lbs. dry weight
- USDA accepted, category B-1

504 **Epic® "E" Controlled Suds**

- High grade detergent with water softeners and wetting agents
- Contains fluorescent whitening agents and bluing
- Effective cleaning in all water hardness conditions and temperatures
- Low sudsing. Ideal for front loading machines
- Phosphate free
- Usage rate: 2 cups per 100 lbs. Dry weight
- USDA accepted, category B-1

518 **Epic® One Shot Laundry Detergent with Oxygen Bleach**

- Ideal for use in shirt & linen plants and industrial laundries or any place detergent and safety bleach is required.
- 'One Shot' is combination powder laundry detergent and safety oxygen bleach product.
- It designed to clean and bleach colors or any fabrics that might be chlorine sensitive.
- Specially effective on collar type soils commonly found on shirts and industrial garments. The grease and oils are emulsified and gently lifted off all types of fabrics.
- Loaded with brighteners that produce whiteness and brightness for all fabrics
- Works effectively in all water conditions and wide range of temperatures

516 **Epic® Laundry Detergent**

- Laundry detergent and fabric softener
- Low-foaming
- For all machine washing and water conditions
- Low-sudsing level is maintained, allowing free agitation and easy clearing
- Very active, highly concentrated and formulated to go further
- Available in blue and white

559 **Sapphire™**

- Highly concentrated detergent for synthetic and natural fabrics
- Removes even stubborn stains
- Prevents soil redeposition
- Quick rinsing
- Contains no harsh alkalies
- Phosphate free
- Usage rate: 1 cup per 100 lbs. dry weight
- USDA accepted, category B-2

SOLIDS

SOLID CAPSULE

069 **Bingo® Solid Laundry Detergent**

- A highly concentrated, biodegradable, controlled-sudsing detergent block designed for use with automatic dispensing systems for the laundry process.
- Contains a combination of highly effective surfactants, water conditioners and soil anti-redeposition agents for effective removal and suspension of soils and stains over a wide range of wash temperature and water hardness conditions.
- Dual enzyme activated for quicker food soil removal. Cost effective and controllable since there are no spills.

See **Quick Reference Chart for packaging options.**

Laundry Detergents (cont'd)

LIQUIDS

505 Bingo™

- Concentrated, heavy duty detergent with optical brightener
- Effective at low temperatures for fabric safety
- Excellent hard-water tolerance (effective even in salt water)
- Economical – one gallon replaces 24 to 32 pounds of powder
- Phosphate free
- Dilution rate: 2 1/2 oz. per 100 lbs. dry weight
- USDA accepted, category B-1

571 EpiSuds®

- Blue liquid detergent for all fabrics
- Low sudsing formula
- Removes stubborn soil and prevents redeposition
- Effective in all water hardnesses and temperatures
- Contains no harsh alkalies
- Quick rinsing
- Phosphate free
- Dilution rate: consult your Epic service representative

579 Captain™

Pre-Soak/Detergent

- Specially formulated with enzymes to work on organic soils – blood, feces, etc.
- May be used to pre-soak heavily stained items, or used as a detergent
- Dilution rate: 6 to 9 oz. per 100 lbs. dry weight

013 Super Kleen Laundry Detergent

- For all types of automatic washers
- Contains detergents, soil suspending agents, builders, optical brighteners and fresh fragrance
- Biodegradable & phosphate free
- Kosher/Pareve
- Dilution rate: consult your epic service representative

Bleaches/Destainers

Epic destainers enhance the performance of laundry detergents and aid in getting fabrics clean and bright. All dilution rates are per 100 pounds dry fabric weight.

POWDERS

506P Epichlor™ Chlorine Bleach

- Highly soluble bleach for all water hardness conditions
- Works at temperatures as low as 90° F
- Contains iron sequestering agents, water conditioners and buffering agents to minimize pinholing
- May be used as a pre-soak for blood or other protein stains
- Free rinsing
- Dilution rate: 1/4 cup per 100 lbs. dry weight

508 Epigen™ Oxygen Bleach

- Safe destaining of most fabrics and colors (including those for which chlorine bleach is not recommended)
- Safe for use even in poorly ventilated areas
- Will not damage permanent press, synthetics or delicate blends
- Dilution rate: 1/4 cup per 100 lbs. dry weight
- Must be used at 140° or more to release oxygen bleach
- USDA accepted, category B-1

LIQUIDS

506L Epichlor™ Chlorinated Destainer

- Liquid destainer for use in all water hardness conditions and temperatures
- Contains 10% sodium hypochlorite – safer to use than higher concentrations
- May be used as a pre-soak for blood or other protein stains
- Dilution rate: consult your Epic service representative

Laundry Additives

Epic's line of additives improve the results of the laundering process. Use of these products will provide soft, comfortable wearables and linens for beds, and the cleanest possible fabrics of all types. Dilution rates are per 100 pounds dry fabric weight.

LIQUIDS

509L Epitrol™ Fabric Softener

- Imparts softness to fabrics
- Reduces static cling
- Reduces drying time
- Makes ironing easier
- Safe on all fabrics
- Use in final rinse at any temperature and in all water hardness conditions
- Dilution rate: 2 oz. per 100 lbs. dry weight
- USDA accepted, category B-2

577 Epirase™ Pre-Spotter

- Pre-treat hard to clean spots before washing
- Removes collar ring, grass stains, food and other soils
- Safe on all washables
- Contains no bleach or chlorinated solvents

583 Control™ Bacteriostatic Fabric Softener

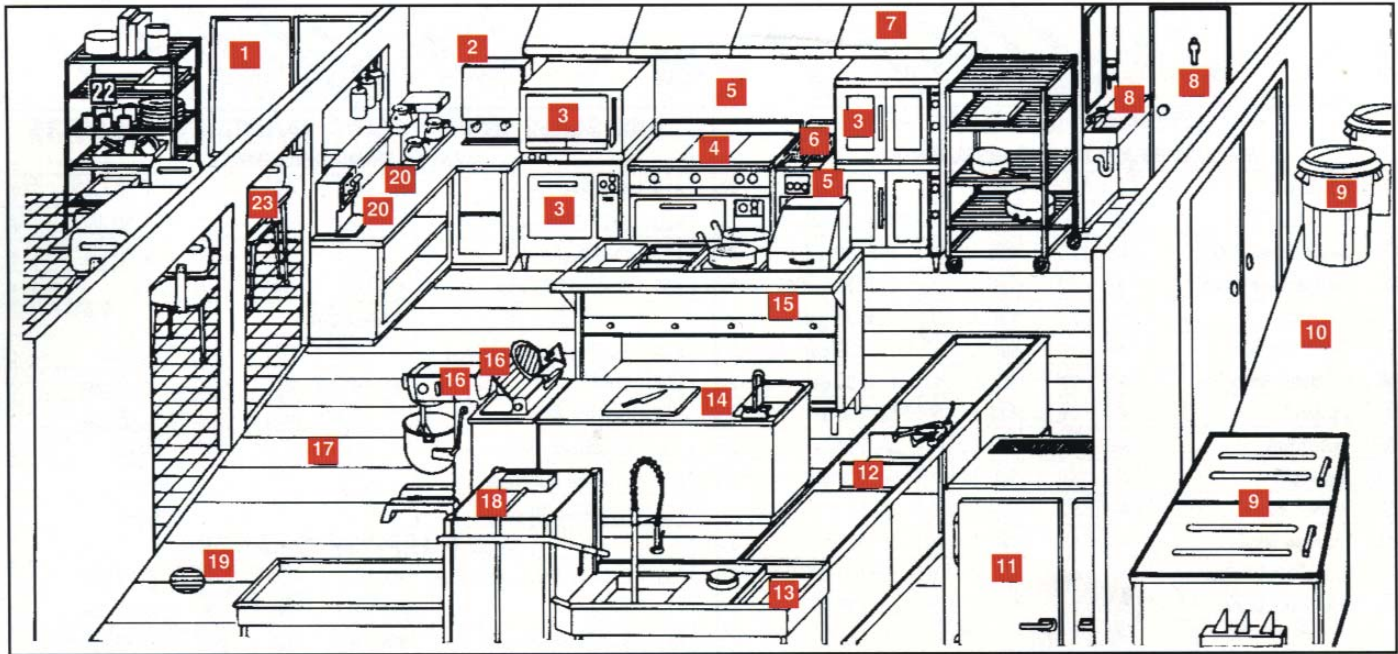

- Advanced quaternary formula stops bacterial growth on washed materials
- Reduces static cling
- Imparts softness to fabrics
- Reduces drying time
- Makes ironing easier
- Safe on all fabrics
- Use in final rinse at any temperature and in all water hardness conditions
- Dilution rate: 2 oz. per 100 lbs. dry weight
- USDA accepted, category B-2
- EPA registered

507L Epitame™ Laundry Sour

- Leaves wearables or bed linens at correct pH level for human comfort
- Helps eliminate common skin irritations
- Reduces alkalinity to help retain original colors
- Highly concentrated sour for final rinse cycle
- Dilution rate: 2 oz. per 100 lbs. dry weight
- USDA accepted, category B-1

508L Epic® Liquid Oxygen Brightener

- Produces a whiter wash
- Removes stubborn stains
- Biodegradable and phosphate free
- For color and non-color wash
- Usage rate: 3 to 4 oz. per wash
